

GLR CONNECT

News • Events • Workforce • Membership • & More

Hello there,

In this issue, we're excited to share project updates, upcoming events, and all the latest happenings in the Greater Lima region.

WHAT'S NEW

GLR Hosts Quarterly Engagement Breakfast

The GLR Engagement Breakfast on December 3 focused on “Investing in Tomorrow,” highlighting resources and strategies to strengthen economic development in the Greater Lima Region. Attendees learned about membership benefits, upcoming projects, and key incentives such as tax abatements, workforce training programs, and financing tools. Case studies showcased successful partnerships that leveraged grants and local support to drive growth. The event reinforced GLR and AEDG’s commitment to collaboration, innovation, and building a vibrant future for businesses and the community.

Driving Local Growth: WAEDC Annual Meeting Highlights New Investments

The Wapakoneta Area Economic Development Council (WAEDC) held its Annual Meeting on December 3, highlighting new public–private investments fueling local growth. The event emphasized collaboration and featured a keynote address focused on small-town revitalization and development.

Hardin County Chamber & Business Alliance Holiday Celebration

The Hardin County Chamber and Business Alliance held its holiday celebration on Thursday, December 4th. The GLR supports the economic development efforts of our area counties. During the celebration, Holli Underwood, the CEO of the Alliance, along with other leaders, highlighted the remarkable achievements taking place in Hardin County. The GLR is proud to celebrate the growth and investment in our region.

Thank you for reading this month’s edition of **GLR CONNECT**. We’re excited about the growth and progress within our community, and we look forward to keeping you updated on future developments. Stay tuned for more exciting news, events, and opportunities to get involved.

If you have any feedback or want to contribute, don’t hesitate to reach out to us.

We value your input!

Until next time,

**DAVE
